-Tomando el control- available on: Spotify | Deezer | iTunes

OPONENTE INTERNO HARDCORE PUNK band from Ecuador, active since 2009, its ready to hit the stages around the world with the release of its new CD called "**Tomando el control / Taking control**".

This 11 tracks album loaded with fury and speed, recorded by Carlos Osejo and assisted by Santiago Romero, mixed and mastered in Titan Studios (United Kingdom) by Steve Sears (Gallows, Krokodil, Hang the Bastard, Polar) and Benni Dumville, include an evolution both in sound quality and variety of its composition, showing different facets in their lyrics, social and personal, maintaining all the strength and conviction of extreme music.

Currently they are promoting the CD "**Tomando el control / Taking control**" with tours around Colombia, Ecuador and Peru. Their energy and power have led them to participate in several festivals like Quitofest 2016, Galeras Rock (Colombia) and to share stage with bands like: Lamb of God, Hatebreed, Comeback kid, The Casualties and Bane.

To date they have posted the videos of the singles:

-**Tus propias ideas**- https://youtu.be/E10YcP5Wb_E

- **Por si mismo**- <https://youtu.be/ddfyn-5FkmA>

- **Inamovible** - <https://youtu.be/OZAutloL7cE> (released June 2017)
